

Condition-Specific Support

ZERO SUGAR MELATONIN GUMMIES

1.5 mg Melatonin

Melatonin serves numerous important metabolic roles throughout the body, including synchronizing the sleep-wake cycle to a circadian rhythm that follows night and day.* Unlike other hormones, melatonin also has powerful antioxidant properties which promote the synthesis of other antioxidant systems and help address oxidative stress by neutralizing the effects of free radicals on cells.* Zero Sugar Melatonin Gummies helps remediate the effects of melatonin irregularity and insufficiency to promote healthy sleep patterns and immune functioning.* Containing 1.5 mg of melatonin per gummy, this product allows patients to easily tailor the dosage to meet their personal needs and achieve optimal results.

- Facilitates restful, deep sleep throughout the night*
- Powerful antioxidant support helps address oxidative stress throughout the body*
- Provides optimal starting dose of melatonin (1.5 mg per gummy)
- Delicious raspberry flavor
- No added sugar—sweetened with xylitol
- Vegan—pectin based and gelatin free
- No artificial coloring, flavoring, or preservatives
